The defendant shall submit to one drug test within 15 days of the commencement of supervision and at least two drug tests thereafter but no more than 8 valid drug tests per month during the term of supervision unless there is a positive drug test, in which event, the maximum shall increase to up to one valid drug test per day (mandatory condition).*

CAUSE

Since the commencement of supervised release on 4/20/2007, the subject has been compliant and posed no management problems. He has maintained stable housing and employment, and appears motivated to be a productive member of the community. Furthermore, the subject has been progressing in substance abuse treatment and appears to be drug-free at this time.

The subject has agreed to modify his conditions of supervised release to allow our office to conduct random drug testing for the duration of supervision consistent with the mandates of United States v. Stephens. This modification is warranted when considering the subject's extensive substance abuse history. The revised condition will enable our office to monitor the subject's future compliance. In addition, amending Special Condition No. 1 will prohibit the subject from the possession and/or use of alcohol while participating in substance abuse treatment.

Attached is a signed Waiver of Hearing to Modify Conditions of Supervised Release. The subject waives his right to a hearing and to assistance of counsel. The subject agrees to the modification of the conditions of supervised release. The

Waiver of Hearing to Modify Conditions of Probation/Supervised Release and/or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release and/or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release and/or to the proposed extension of my term of supervision:

☒ To modify the conditions of supervision as follows:

General Condition

That the defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of the commencement of supervision and at least two drug tests thereafter but no more than 8 valid drug tests per month during the term of supervision unless there is a positive drug test, in which event, the maximum shall increase to up to one valid drug test per day (mandatory condition).

Special Condition No. 1

That the defendant shall participate in and comply with substance abuse treatment which includes drug and alcohol testing in a program approved by the Probation Office. The defendant is to refrain from the possession and/or use of alcohol while participating in substance abuse treatment.

NOTICE REGARDING MODIFICATION OF CONDITIONS

The defendant understands that any modification of court-ordered conditions is not a waiver of those conditions or of any consequence of violating those conditions. Violations that have preceded this or any modification of conditions may be considered by the court as a basis for revoking supervised release or probation, especially, but not only, in the event of a future violation, whether any such future violation is similar to or different from any preceding violation.

The absence of this notice does not confer, and should not be interpreted by the defendant as conferring, any rights on the defendant. The absence of this notice does not indicate, and should not be interpreted by the defendant as indicating, any position by the court or by the defendant. Even in the absence of this notice, supervised release or probation may, in the future, be revoked based on violations occurring before this or any other modification of conditions.
